9<sup>th</sup> Central European Bus, Public Transport, Garage and Service Equipment Fair

**Organiser:** ABF, a.s.  
**Date:** 26 – 28 November 2019  
**Place:** PVA EXPO PRAHA, Beranových 667, Prague 9 – Letňany

Since it was founded seven years ago, CZECHBUS, the Central European Bus, Public Transport, Garage and Service Equipment Fair, has been strictly designed for transport professionals. The B2B trade fair is, however, aimed at everyone who works in the field of bus transport in any position, from management and organisation at various levels to operation of transport services, maintenance, repairs and drivers. In addition, it also appeals to anyone who simply likes buses, and not just them.

It is far from the case that CZECHBUS is just a Czech matter, and of course this applies to the exhibitors who come from almost ten countries, but increasingly also to visitors - a large portion of the visitor portfolio is certainly made up of experts from Slovakia, but last year there were also organisers and visitors from Poland, Germany, Austria, Lithuania, Russia and other countries.
